### **Task 2 : Fill in the blanks with the correct terms from the box.**

**Terms:** macroeconomic forecasts, expenditure ceilings, Pre-Budget Statement, budget execution, budget monitoring and evaluation .

**Text:** The Algerian government starts the budgeting process by making \_\_\_\_\_. This helps them estimate potential revenue and set \_\_\_\_\_ for different ministries. They then release a \_\_\_\_\_ to outline their priorities. Once the budget is approved, \_\_\_\_\_ begins, and the government starts spending the allocated funds. Finally, \_\_\_\_\_ is conducted to assess the budget's performance.

### **Task 3 : Determine whether the following statements are true or false.**

- The budget formulation stage involves estimating the country's GDP and inflation rates.

- The Pre-Budget Statement is released after the budget is approved.
- Budget execution is the phase where the budget is implemented.
- Budget monitoring and evaluation helps assess the effectiveness of the budget

**Task 4 : Answer the following questions in short sentences.**

- What is the first stage of the Algerian budgeting process?
- What is the role of the Pre-Budget Statement?
- What happens during the budget execution phase?
- Why is budget monitoring and evaluation important?

**Assignment:**

In a short paragraph evaluate the effectiveness of the Algerian budgeting process in achieving its goals.
